These will take place on **Thursday March 1st.**

School will close early on that day at 12.50pm to enable these to take place. Children will come home for lunch.

Bookings are **OPEN!** To book your STP Conference go to www.schoolinterviews.co.nz

SEESAW - Student ePortfolios

You should have received by now an invitation for you to join your child's Seesaw by downloading the App to your phone.

We encourage parents to share in their child's learning and this is an excellent opportunity to see first hand exactly what they are doing at school.

CAR PARK SAFETY

The yellow lines in the carpark mean 'NO PARKING' - We ask parents to observe these please.

Please pick children up from the DROP ZONE - Not around the yellow dotted lines as it places children in danger.

SECOND-HAND UNIFORM ITEMS AVAILABLE

These will be outside the office Friday afternoon and can be purchased by donation.

CHILDREN COMING LATE OR LEAVING EARLY

This is a reminder that all children arriving at school after the 8.50 start bell **MUST** call in to the office on their way to class. If they are accompanied by a parent, the parent could call in to the office while the child goes to class. This saves a lot of wasted office time calling or texting parents when a child has arrived late and gone straight to class.

Please make an effort to get your child to school before the bell. This gives them the chance to unpack their bag and prepare for the day which includes school notices and other important information that children are given first thing in the morning.

Also, when taking your child early from school, you will need to check them out at the office on the way out, even though their teacher may know they are leaving.

CONTACTS & MEDICAL INFORMATION

On Wednesday children brought home an information sheet with important information we hold about your family members. If any information has changed, please correct and return to school as soon as possible, so records are up to date.
