

PARKLAND PRIDE

The Newsletter of Parkland School

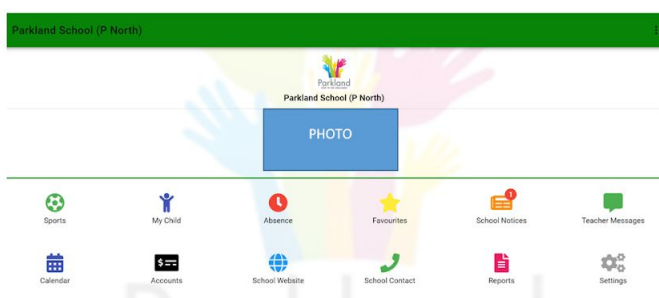

Week 5 Term 3 August 22nd 2019

Dear Parents,

The new Parkland School App has been launched this week.

Every caregiver listed in our school system that also had an email address listed was automatically sent an invitation to download the App.

This App is linked to the schools information system and will provide all families with real time information about your children. All children from the same family will appear on the App. You simply select the child you wish to access.

'My Child' - We encourage you to check the details held by the school are accurate and current.

'Accounts' - You can see the status of your Activity Account and see a financial summary.

'Absences' - We encourage everyone to use this to notify the school of any absence.

'Sport' - Will link you directly to the sports draws in our website.

'School Notices' - These will be important notices sent from the office.

'Teacher Messages' - These will be regular reminders or notes from your child's class teacher.

'Website' - A direct link to the school website.
E mail the office if you have not received any notification.

COMING SOON - As advised, we are currently developing our Parkland Learner Profile. This will be available via the App once fully developed.

NOW is a good time to DELETE the old App from your phone.
