HOUSE POINTS

The final Inter House activity is taking place this week. There is a real nail biter to finish the year between Brightwater & Manson House.

Jay and Oliver needed to play three games before we found a winner in the first round!

CLASS PLACEMENTS

Five rooms will be physically swapping locations at the end of term. This is so that we can avoid disrupting these rooms during 2019. We received no tenders for this work. We remain hopeful however that at some point next year Room 7 & 8 will be remodelled.

Next Year's room will be clearly marked on reports which will come home on the last day.
