

# Coming soon!

Parkland School PTA is switching it up for term 2 - we will be running **FRIDAY LUNCHES** via the Kindo App! Check out all the info below!

## How it Works

- 1. Create your family account**  
Sign up once on Kindo and add your child's school.
- 2. Browse your school menu**  
Choose from available meals
- 3. Pay online**  
Use your Kindo Wallet, Apple Pay, Google Pay, credit card, internet banking and more
- 4. Lunch is delivered to school**  
Clearly labelled, hot or cold, and ready to eat. You can even cancel or change your order up to 9am.

- Stress-free mornings**  
Order for the whole term. Order the night before - or even by 9am on the day. Perfect for busy households and bare pantries.
- Pay your way**  
No cash, no forms. Top up your account or pay by card or bank transfer - on any device, anytime.
- Food for every taste**
- Support local**  
Meals are made fresh daily by local cafes and caterers. It's food you'll feel good about.

Say goodbye to lunchbox stress. With the Kindo app, you can order hot or cold meals online by 9am and have them delivered straight to your child's school - fresh, tasty, and ready to eat. From gluten-free to veggie options, there's something for even the fussiest eaters.

**NO PAYMENTS THROUGH THE OFFICE OR CHILDRENS SCHOOL ACCOUNTS**
